The Honorable Bill Thomas
Chairman
Committee on Ways & Means
U.S. House of Representatives
1102 Longworth House Office Building
Washington, DC 20515

Dear Mr. Chairman:

On behalf of Time Warner, I am writing to express support for the American Jobs Creation Act of 2004 (H.R. 4520). It is critically important that the United States fulfill its trade obligations and at the same time adopt tax laws that promote the domestic economy. Your leadership in both of these areas is to be commended, and Time Warner looks forward to working with you to enact legislation that will meet these objectives.

Sincerely,

Robert M. Kimmitt
